

## 2015 Williams Sportjet 520 200 Hp £22,950 VAT UK TAX paid

2015 Williams SportJet fitted with BRP Rotax 200HP. Your chance to own the fastest Williams ever produced. Every inch of the Sportjet has been designed to work perfectly as both a tender and a ski boat, or as a standalone boat for weekend wakeboarding. The BRP Rotax jet engine is clean, quiet and safe with no exposed moving parts. A large aft platform and bathing ladder make it easy to get in and out with your gear, and a removable ski pole comes as standard. Rear-facing seats mean passengers can watch the action. Towing your friends is easy and safer, thanks to the jet propulsion and sports hull. It's smooth and stable in straight lines and will blast round corners, but is rock solid when your passengers are stepping aboard.

Rare opportunity to acquire a stunning used Williams SportJet 520! Extras include LED Deck Lights, Chart Plotter, Anchor plus a 2 wheel trailer.
