Some history on this boat brand: Cigarette Racing has been a favorite in go-fast racing circles since Don Aronow founded the company in South Florida in 1969. The late powerboat racer won numerous world championships and set multiple world records in his famous Cigarette Boats. The high-performance speed machines later became a go-to for drug smugglers in South Florida in the '80s. They are still built in Florida and compete in offshore races today.

Boats.co.uk are delighted to now have this stunning example that has been very well looked after and maintained to a high standard by its 2 owners. With an immaculate stepped racing hull in the colours to match its name "Monster Munch". Available for viewing in our Cala D'Or, Mallorca marina.
