£375,000 VAT EU TAX paid

FOR SALE: MUST READ DESCRIPTION! This boat requires work! A 2017 Sunseeker Manhattan 52 fitted with Volvo Penta IPS950 - 725hp each engine. The boat runs and drives but requires some work before use. The following information will describe the boat in this present time: The boat sunk due to a failed exhaust on the port engine which has now been resolved. The bilge pumps ran until the batteries went flat, causing less damage to the wiring. This is a project boat and will require work. The interior woodwork will require replacement. The wiring is damaged and will require work. The boat has been first aided, washed and dried out completely. The engines and drives have been first aided, flushed, drained, run up and serviced. The generator has also been first aided, flushed, drained, serviced and now runs. Also, some essential systems have been repaired and are working which include: Upper helm station // Anchor winch // Hydraulic Platform // Hydraulic Passerelle // One air conditioning unit // Sea water pump for AC // Battery Charger // One toilet and the Fresh water system. The boat is sold as seen and tested! This is a unique and amazing opportunity for a great value project boat. If you are interested and would like to know more.
