

Beneteau Oceanis 351

£16,950 VAT UK TAX paid

Beneteau Oceanis 351 (Project Boat). This Beneteau has damage to the rudder & keel matrix which requires a professional repair. We believe its a mid 1990's build and this particular example is desirable three-cabin layout version with accommodations for over six people. It features a forward cabin with a double berth, a spacious saloon with a linear galley and dining area, a heads compartment.

The damage was caused by high winds and the Yacht ran aground. The Yachts mast, boom, rigging & sails (main & genoa needs checking top confirm) are all included and on appearance are good but are supplied with the vessel and unchecked. The interior upon first impression is in good condition and all electrics are untested. The Yanmar diesel engine is working fine and will give good service.

This is a Project Yacht and is available at a fraction of the cost of a ready to go boat. If you are seriously interested there is a lot to like about this Beneteau project and it will not take much to get it back on the water. If you have the skill set to take on this project then on-site viewings are encouraged. The Yacht must leave the marina when sold and we can help with transport quotations. For more information or to arrange a viewing please contact Darren on 07717201688.

Specification

Stock number:	ESM094
Manufacturer:	Beneteau
Model:	Oceanis 351
Year:	
Price:	£16,950 VAT UK TAX paid
Location:	Essex Marina, United Kingdom

Dimensions

LOA:	10.36 m - 33ft 12in
Beam:	3.66 m - 12ft 0in
Displacement:	5500 kgs

Engine(s)

Engine Mfr:	Yanmar
Fuel:	Diesel
No of Engines:	1
Drive Type:	Shaftdrive
